HOSPITAL REPORT . . . First reports of advance gifts in a campaign to raise \$300,000 for a Bay-Harbor Osteopathic Hospital showed the drive over the halfway mark, with 155,537 advance gifts and pledges. Shown around the score board are (left to right) Dr. Otto Frantzieh, Gardena; Dr. George Wall, chairman, San Pedro; Dr. John P. Hutchins, Wilmington; Dr. Chesley Houske, Torrance; Vernon Walker, hospital director and drive auditor, and Dr. Paul Yates, Hermosa Beach.

Dog Classes To Start on October 2, 5

Two new novice dog obedience training classes will be held at the Rancho Hillside Kennel, 22209 S. Vermont Ave., starting on Wednesday, Oct. 2, and Saturday, Oct. 5.

The Wednesday classes will be held from 7 to 8 throughout the year, while the Saturday classes will be from 2 to 3 p.m. These classes will replace the training recently held at 3031 Torrance Blvd.

The complete nine-week course includes instruction in basic dog training and is climaxed by a graduation in which the pets are judged on the results of their training. Both mixed and pedigreed dogs can enter.

A special class will be held at 3:30 p.m. starting Oct. 5 for those who have completed novice training and will consist of a series of 12 lessons. Mrs. Marty Lehr will act as trainer. Applications will be taken at the time of the first lesson.

NEW HOSPITAL DRIVE PASSES HALF-WAY MARK

Half way mark in a drive to raise \$300,000 for construction of a 50-bed Bay Harbor Osteopathic Hospital has been passed during the 'advance gifts' phase of the campaign, according to Dr. George Wall, San Pedro, fund drive chairman.

Total gifts and pledges toward construction of the new facility reached \$155,573 yesterday, Dr. Wall reported.

Since Aug. 10, Mrs. Alice Quiros of Redondo Beach, Fund Drive Headquarters director, has been concentrating on the advance gift program along with osteopathic doctors of the area.

The \$300,000 fund is sought to insure a Hill-Burton fund grant of \$594,882, which was approved for the hospital project last Aug. 9. The Bay-Harbor Osteopathic group has until Dec. 9 to raise the \$300,000 matching fund to enable construction of the facility.

A second phase of the drive is scheduled to get under way in the next two weeks, according to Dr. Wall. A kickoff for the general fund drive campaign is being planned for early October with Dr. Merle Boyce of Redondo Beach in charge of a special committee arranging a kickoff banquet.

Headquarters for the Osteopathic Hospital drive are located at 25916 Western Ave., Harbor City. The announcement of the advance gift total was the first made since the drive was first started for the Bay Harbor Osteopathic facility.

Adult School Slates Small Boat Class

A 12-week class in small boat building and navigation, meeting Wednesday evenings, begins Oct. 2 at Fern School Cafeteria, Elm and Eldorado Sts., from 7:30 to 9:30 p.m.

The class is offered by the Torrance Evening High School in cooperation with the U. S. Coast Guard Auxiliary with Coast Guard certificates being issued upon completion of the course.

Instruction will include seamanship, rules of the road, aids to navigation, the compass, charts and charting courses, and legal requirements.

Further information can be obtained at the Adult Education office, FA 8-2272, located in the Torrance High School.

TEX MCKENZIE of wrestling fame, points to one of BBO Pete's famous chicken dinners, while Diana, age 4, and her mother Alice Thibaudian, her father Rudy Thibaudian, and her brother Charles, age 11, wait patiently for the rest of the meal to be served. The Thibaudians live in Manhattan Beach, and Rudy works in the Plumbing Department at Douglas. It won't be too long before little Miss Sherry Thibaudian, age 3 months, will be able to join the family for a dinner at BBO Pete. They enjoyed meeting Tex McKenzie, the young newcomer in wrestling, and all agreed that eating at BBO Pete's was a new experience of discovering delicious barbecued chicken dinners.
